Corrections: The caption for Figure 2, page 435, of the Fall 2010 issue (Vol. 84, No. 4) should have read, "Apple varieties available in the Old Northwest, from 'Silas Wharton's List of Fruits' of 1824. All varieties on the list were of a single species, *Malus pumila*, the orchard apple." The journal staff regrets the error.

Editorial assistant Christian Haman was misidentified in the Winter 2011 (Vol. 85, No. 1) issue of the journal. The journal staff regrets the error.
