Correction: Editorial assistant Matthew St. Jean was responsible for much of the editing that occurred within “Waves of Mutilation: The Cattle Mutilation Phenomenon of the 1970s” (Vol. 85 No. 3, Summer 2011), an article that was originally scheduled to appear in this issue. Due to a last minute change in the contents of the summer issue, Matthew’s name was inadvertently omitted from the masthead. The journal regrets the error.
