Arranged by
The Royal Swedish Academy of Agriculture and Forestry
Financed by Bertebos Foundation

New Ruralities

New Ruralities

Changing agendas for research and practice

A reflexive and interdisciplinary approach to rural studies is characteristic of Bertebos Prize winner Professor Philip Lowe, Newcastle University. UK. At the 2014 Bertebos Conference researchers and stakeholders from many disciplines will discuss the various challenges faced by rural areas today. All participants are asked to contribute to make this an active forum!

Key notes

Future Rural Expertise – Professor Philip Lowe and Professor Jeremy Phillipson, Newcastle University

Social Change and New Ruralities – Professor Michael Woods, Aberystwyth University
