

Kungl. Skogs- och Lantbruksakademiens uppgift är att med stöd av vetenskap och praktisk erfarenhet till samhällets gagn främja jordbruk och skogsbruk samt därtill knuten verksamhet. Akademien instiftades år 1811 på initiativ av Karl XIV Johan och startade sitt arbete den 28 januari 1813.

Round table

What is happening in China and how does it affect the green sectors in Sweden?

Time	Tuesday 3 December 2019, at 12 pm (lunch) until 17 pm
Venue	Royal Academy of Agriculture and Forestry, Drottninggatan 95 B, Stockholm
Registration	Invited guests only
Questions	Content: Per Eriksson per.eriksson@ksla.se , tel 08 54 54 77 17 Registration: Agneta D Ohlson, agneta.ohlson@ksla.se , tel 08 54 54 77 12 This seminar is financed by the Carl Fredrik von Horns stiftelse

China is an increasingly important global actor. What happens there will affect the green sectors in Sweden. To gain some more understanding about this we organize a Round Table Discussion with introductions ranging from the broad geopolitical perspective to swine fever and antibiotics resistance. China in an afternoon, a unique opportunity!

Welcome!

Eva Pettersson
Secretary General and Managing Director of the Academy

Program

What is happening in China and how does it affect the green sectors in Sweden?
