

CHANGES IN THE REGISTER OF FELLOWS

We ask you kindly to inform us about changes, if any, in your particulars, preferably by sending us an e-mail message to akademien@ksla.se, or by filling in and sending us this form, or writing us a letter or to let us know the changes. We are most eager to have our fellows' updated e-mail addresses, since we try to reduce our use of paper.

If your picture in the Register/on our website is old, you are very welcome to send a new one, on paper or as a jpg, tif, etc.
